

Milk Order

Beginning Tuesday, September 3, milk will be available to all children at lunch. 2% low fat white milk, and 1% chocolate milk will be offered.

Parents who have children in the Pre-Kindergarten may use the last line to order an additional milk for morning snack time if desired.

Since we receive reimbursement from the Federal Government, it is possible to serve milk to the children at a considerable reduction. **The cost for each child to receive a half pint of milk for the Fall Semester (Sept-Jan) will be \$10.00.**

Please complete the following information and return the form, with payment, to the School Office on or before **August 27, 2019**. Having the information at that time will make it possible to place an accurate order with the Dairy.
